President's Message

CAWMC is participating in the RCNA Sesquicentennial medals program. Our association secured 25 medals to be offered by CAWMC as a unit. Some were reserved back in February, following a broad mailing to our members. A very small quantity of these medals will be available at our breakfast AGM, in Boucherville, on July 22. The cost is \$10 each for our members or \$15 for non-members.

Our CAWMC logo metal die, sitting at Pressed Metal Products, in Vancouver; and the CAWMC logo die used for the woods issued in April and produced by Canada Wide Woods (CWW), are both available to our members free of charge. Please don't hesitate to use either, at your convenience. Just drop me a note indicating your intent. I am particularly proud of the logo die at CWW and its availability will keep the production cost of your own woods affordable. So, go ahead, treat yourself!

Speaking of new issues of woods, the winner of our "not so official Canada 's Birthday Wish" contest is **Ross Kingdon**. Congratulations Ross! You got bragging rights! A warm thank you to all participants to the contest. The Birthday wood will be launched at the RCNA.

I hope I'll see you at the Royal Canadian Numismatic Association (RCNA) convention, to be held in Boucherville QC on July 18-23. Our annual CAWMC Annual Breakfast AGM will be on Saturday July 22. Coincidentally, one of my nephews has decided to wed on that day, so I might be able to attend only a part of the breakfast but I trust that your Chairman Al and your Vice-President James will make sure you have a good time at the meeting.

If by chance you have a moment in July, or if it rains too much for you to enjoy the outdoors, please consider writing something for *Timber Talk*. You can reach me at France D. Waychison, P.O. Box 466, Timmins ON P4N 7E3 or at france@waychison.com. Safe travels and I'll see you in Boucherville

France

Past Presidents:

Timmins Coin Club Celebrates Canada's 150th Anniversary

Free Wood of the Month of July 2017 by France D. Waychison

The Timmins Coin Club, in celebration of Canada's 150th anniversary, has issued the free wood for the month of July. This wood's catalogue number is 5889-036.

On one side of the wood, stamped in metallic red, the official logo of Canada 150 appears at the center of the wood. The words and years "Timmins Coin Club / Celebrates" and "Canada 150 / 1867-2017" appear above and below the logo. The logo and the words are encased in a red circle. The other side is stamped in metallic blue, and bears the words "Timmins" and "Canada's Gold Capital". A central image portrays a variation of the Timmins Coin Club's logo (see attached image); shown are two prospectors paddling a canoe with the McIntyre #11 head frame in the background. The McIntyre #11 head frame, a Timmins landmark, was saved from demolition to remind all of the town's glorious mining history. The two prospectors in a canoe is the club's version of the famous voyageur canoe design of Emanuel Hahn, which was first used on the Canadian silver dollar of 1935. Brendan Montgomery, a member of the club, designed both the club logo, and the wood. Canada Wide Woods produced a total of 500 woods measuring 44 mm in diameter.

Featured Woods: (note: if we receive a donation of a NEW wood, we will insert it and push the schedule out farther):

- ◆ August 2017—**Sovereign Coin Shop / Appraisals Consignments** Hamilton (1,000 made 2012) from Al Munro)
- ◆ **Probert Wedding**—September 2017—donated by Al Munro
- ◆ October 2017—**Trump wood** (from Jim Smith, woodencoin.com) - same month as Columbus Day
- ◆ **West Edmonton Coin & Stamp** – November 2017 (8300-133) or new wood
- ◆ **360 Wellness**—December 2017—donated by Al Munro
- ◆ **West Edmonton Coin & Stamp** – January 2018 (8300-132)
- ◆ **Family Day (by Province)** - February 2018—donated by Jim Smith of woodencoin.com
- ◆ **St. Patrick / Ides** - March 2018—donated by Jim Smith of woodencoin.com
- ◆ **Wood Coin Collector / Busy** - April 2018—donated by Jim Smith of woodencoin.com
- ◆ **West Edmonton Coin & Stamp** – May 2018 (8300-138)
- ◆ **West Edmonton Coin & Stamp** – August 2018 (8300-134)
- ◆ **West Edmonton Coin & Stamp** – November 2018 (8300-137) - this is the last wood in the 8-wood series

Woods to be advised for June, July, September, October, and December 2018. More donations are always welcomed!

In 1935, a commemorative silver dollar was struck for King George V's Silver Jubilee. It showed the King on the obverse (front) and, a canoe containing a voyageur, or unlicensed fur trader (and a native man), on the reverse (back). The canoe also contains two bundles of furs—on one, the initials HB, for Hudson's Bay Company may be seen. The reverse was designed by Emanuel Hahn.

33	Lot of 10 Squares, Jack's Stamp Farm. 1 specimen, 2x5 cents, 2x10 cents, 3x 25 cents, 1x 50 cents, 1x \$1.	?

Nickel Belt Coin Club (NBCC) 700th Meeting

by Jerome J. Guenette, NBCC Treasurer (as at June 9, 2017)

I am the one who presented the idea to the executive members of using the Nickel Belt Coin Club's 700th meeting as a opportunity to have many of our senior members share their stories and memorabilia with us. We are also taking this opportunity to digitally record this. The club was founded in 1956. We are issuing our new 700 / 150 wooden token; only 100 made; they are numbered 1-100. All members in attendance will receive the first one free and will have the opportunity to purchase others while supplies last. This wooden token also supports our new look (NBCC) logo, Side "A" representing NBCC 700 Meeting is in the club's blue; Side "B", representing Nickel Belt Coin Club, Canada 150, is red.

Our meeting #700 (another milestone in our club's history) will be held at Calvin Presbyterian Church, 1114 Auger Ave., in Sudbury on Sunday, June 18th. Doors open at noon, luncheon at 12:30 followed by anniversary cake. Then we will share club memorabilia, we will take pictures, and present Provincial Certificates of Merit to three very deserving members of the club. Jeff Fournier, NBCC Past President, will be on hand and plans an article in Canadian Coin News. Our monthly meeting attendance and membership numbers continue to grow — a growing club is a sign of a healthy club — let's stay focused and continue to strive to reach another milestone in our club's 61-year history. We can do it, if we continue to work together as a team!

I would to take this opportunity to invite members of the Ontario Numismatic Association and the Canadian Association of Wooden Money Collectors to our 2017 NBCC Coin & Stamp Show. This show will be held on Nov. 5th 2017 at the Dynamic Earth Home of the Big Nickel Sudbury (free parking). Four-foot Exhibitor tables are free and Dealer tables are only \$25.00 per eight-foot table. Hand-trucks and carts are on hand to use during setup and teardown. The cafeteria will be open. If you have any questions please contact me by calling (705-507-3540) or texting (@705-507-3540) or emailing treasurer@nickelbeltdoinclub.com.

CAWMC / IOWMC MEMBER HAS ANOTHER INTEREST TOO!

by Robert (Bob) Gabriel, CAWMC Member / IOWMC President

Bob Fritsch's newest acquisition—it is an elongated penny machine. I'm interested to see if it can be retrofitted to dispense Wooden Nickels. I'm with Manatee before we brought him / her to the Fritsch abode. The machine was from Ohio and arrived Nashua NH by way of Salem NH. This is his third machine.

Southwest Edmonton Farmers's Market (SWEFM) Sprouts Program

Designed to empower children to choose healthy foods and lifestyles, the Sprouts Program is the flagship family program at SWEFM. All kids aged 4-12 are invited to join this free club to learn about health eating, cooking, and supporting local farmers. Every week, children visit the Sprouts Tent and receive a wooden token worth \$2 to spend at fruit and vegetable and food plant vendors. Sprouts kids also receive a kid-friendly recipe made with seasonal ingredients to learn valuable cooking skills and bring that produce into the kitchen. The program is completely free and open to children from all communities. To contact the Sprouts coordinator, email swefm.sprouts@gmail.com.

SOUTHWEST EDMONTON FARMERS' MARKET
IS PROUD TO INTRODUCE

SPROUTS

a free program for kids ages 4 to 12 to empower them to make healthy food choices!

How does it work?

1. Kids visit the SPROUTS tent with a parent and receive their Passport to Health.
2. Passport is stamped and kids receive a \$2 SPROUTS token each time they come to the market.
3. \$2 SPROUTS token can be used at designated booths to spend on fresh fruit, veggies & food plants.
4. Receive a free reusable SPROUTS shopping bag.
5. SPROUTS kids can participate in fun activities based around food, nutrition and food-growing.

Help us raise the next generation of market shoppers and healthy eaters!

Auction Co-ordinator and Membership Dues:
Al Munro

Annual Membership Dues in Canadian Association of Wooden Money Collectors are:

- Canadian Residents:** \$10, Cdn. Funds
- Youth (16 years old and under)** \$5 Cdn. Funds
- U.S. A. Residents:** \$10 U.S. Funds
- International Members Rate (outside Cda. - U.S.A.):** \$20 Cdn. Funds

Dues paid to:

Mr. Al Munro, P.O. Box 2643, Station M, Calgary, Alberta, T2P 3C1, Canada

Toronto Coin Expo 2017

The June 2-3, 2017 Toronto Coin Expo 2017 (www.torontocoineexpo.ca) was held at the Toronto Reference Library on 789 Yonge Street, which along with the show also included a series of numismatic workshops held in the Bram & Appel Salon. The first 40 paid admissions (each day—black one day with filled leaf and red the other day unfilled leaf) received a wooden coin commemorating the show as well as Canada 150.

Help Requested Re Legion Woods

The reason that I want one token or wood from each province is that I intend to make a poster that shows one from each state and province. That poster will be shrunken down to be the cover of my catalog. The catalog will cover veterans club tokens of the countries in North America no matter where the post is located. Overseas posts are very difficult to access and always wanted by me.

I purchased the miscellaneous portion of the Bob Brown collection and twenty metal BC dairy tokens. All would be fair game for trades or thank you gifts for scans or Xeroxes. I just sent over 200 woods and plastics to Al Munro and the 260+ coin club pieces went to Bob Gabriel. There are plenty more I could send.

I don't mind identifying American vets club tokens from a scan or a xerox. If you send a Xerox please provide two copies so that I have one for my files. Some groups use unique numbers others reuse the numbers.

Thanks again for your help CAWMC members!

Best Regards,

Harley Bissell

Presenting a Present

by Robert (Bob) Fritsch, CAWMC / IOWMC Member

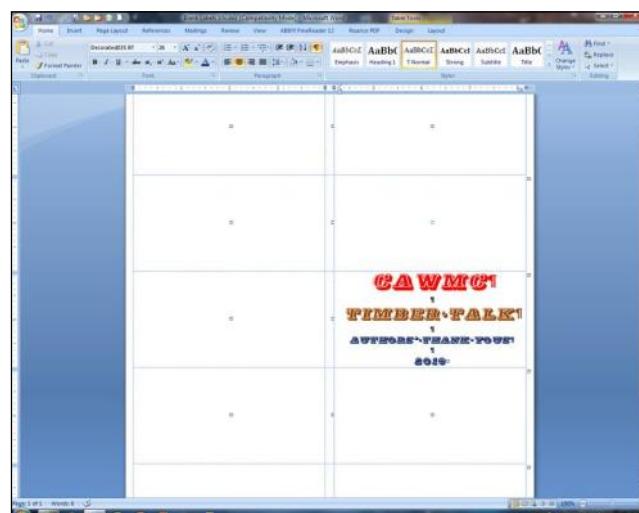

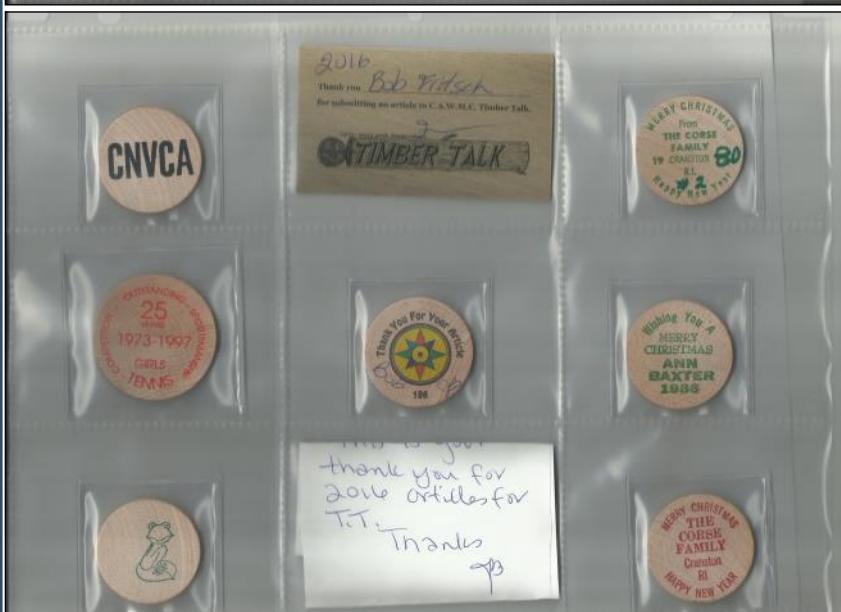

One great thing about CAWMC is all the wonderful packages that keep arriving in the mail, **Ross Kingdon's** annual Christmas package and **Judy Blackman's** gifts to authors. The problem is: How do you display these items to do them honor? The solution has to be tailor-made for each set.

Let's take Judy's package for example, six regular size, one dollar size and one flat with a note. Obviously a standard 20- or 12-pocket page would not do, but a 9-pocket business card page would. (I normally use a 12-pocket page for Ross's offerings.) Much of my collection is housed in 2x2 or (2½x2½) clear plastic flips with the hinge cut off to make two individual holders. Insert the wood and slide it into the page open side down. Now the piece is held securely in the page. In our example, however, the pockets are much larger than the holders, so a piece of double-stick tape keeps it firmly in place. The flat is the correct size anyhow and the note is folded to size.

All that remains to be done is to house the page. For small 1 or 2 page collections like this, I use report covers from the office supply store. Back-to-School sales put the price at a few cents each and I stock up every year. A nice label completes the set. Labels of varying sizes are readily available and a larger label that come ten labels per sheet was chosen. I have set up templates in MS Word for each label size used (the subject of another article for another time) and keep a folder of pages handy. Composing the label is simply writing the words in the target cell, choosing a snazzy font and colors, then printing it out, as can be seen in the picture.

There you have it, a handy presentation of a nice set. Now all I have to do is keep writing articles. Thank you CAWMC!

Mill City Farmers Market Bucks

Mill City Farmers Market is located at 704 S 2nd Street, Minneapolis, Minnesota 55401 USA. It's open May 6-October 28, 2017 on Saturday from 8 a.m. to 1 p.m. Contact phone is 612-341-7580.

Market Tokens: Simply bring your credit, debit or EBT card to the market's information booth, the green tent located in the center of the Chicago Mall by the music tent at Mill City's outdoor markets or the table inside the front door at its indoor markets. Market staff will help you purchase tokens with your card. Credit and debit tokens are sold in increments of \$5. All vendors accept \$5 tokens, and vendors will give you cash as change. Mill City charges a \$2 convenience fee for each credit or debit transaction to cover administration costs and support the market's commitment to food access for all. Mill City accepts all major credit cards plus American Express and Discover. To use your Electronic Benefit Transfer (EBT) card at the market, tell the information booth staff how much money you would like to spend and they will swipe your EBT card for the amount specified. You will be given your requested amount in \$1 wooden tokens and matched dollar-for-dollar up to \$10 with market bucks! EBT tokens never expire, but paper market bucks do expire at the end of each season. The same rules apply when using your EBT card at farmers markets that do at any other merchant. Supplemental Nutrition Assistance Program (SNAP) dollars are not eligible for ready-to-eat / prepared foods or non-food items. Vendors cannot issue change for SNAP tokens or market bucks. You can also give the gift of local food. Tokens make great hostess gifts, stocking stuffers and graduation gifts. Stop by the Information Booth to get a unique and special gift for the food lover in your life.

TOKEN HUNT: 85TH ANNIVERSARY EDITION

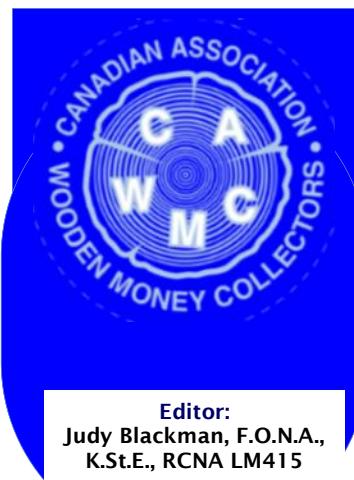

Starting May 4th, 2017, put your treasure hunting skills to work finding 85 tokens hidden all over Capon! This year's version involves individual unmarked tokens as well as a competitive Caponchase adventure with marked tokens. Find the tokens and draw for fabulous prizes: like a free night stay!

Here are the guidelines for how the regular individual hunts work:

1. Capon is an outdoor experience so all individual tokens are hidden outside. While most are within the boundaries of the Capon map, a few require a bit farther exploration.
2. There are 43 individual hidden tokens, which will be replenished twice during the season: on July 2nd for summer and September 4 for fall. *There are 42 specially marked tokens that are part of Caponchase adventure. These do not count toward individual hunts or drawings.*
3. Whether you search by yourself or gather a whole team, there is only one prize drawing per token found per family per visit.
4. While looking for individual tokens, you may come across specially marked ones with the "G" in SPRINGS circled in red. DON'T remove these tokens - they are part of Caponchase adventure and not the individual token hunt! They do not count toward individual prize drawings!
5. If you find either a Caponchase marked token or a second individual token, keep it a secret! Let someone else have the thrill of finding it themselves. You can also remember where you found it and see if it is still there on your return trip!
6. Off limit areas include: anywhere inside enclosed public buildings, personal guest lodges and the Hygeia Bath House and Spa.

Capon Springs is an all-inclusive mountain resort where you can completely relax and recharge – less than 2 hours from Washington, DC. It is a family operation – owned and taken care of by multiple generations of the Austin family and 100+ co-workers. Once you arrive at Capon, enjoy all-inclusive meals and activities to create a stress-free getaway! Everyone eats together around the table three times each day. In between meals, kids experience a freedom to explore and play that they can never have back home. Unplugged from their electronics, they rediscover the wonder of nature, developing friendships among kids of their own age. Multiple childcare options also provide the opportunity for adult alone time. One of the most striking differences provided by a Capon vacation is the environment that builds relationships: old and new. Guests, co-workers and family all make connections with each other. Many guests return several times a season, most come back year after year. Contact: Capon Springs and Farms, 1 Main Street, Capon Springs, West Virginia 26823 USA; Main House GPS Coordinates North 39° 07.934' West 78° 28.761'; <https://www.caponsprings.net/>; Phone: (304) 874-3695.

Happy 60th Anniversary Todd & Betty!

Todd and Betty Hume celebrate **60 years** of marriage this year. Together this loving couple has three children (a son and two daughters), and several grandchildren and great-grandchildren. When your Editor asked Todd the secret of staying together for 60 years, he replied, "I don't know, but I'd do it all again if I had to do it over!" as he has truly enjoyed married life with Betty.

Both Betty and Todd have been involved in the numismatic hobby at all levels and we have certainly appreciated the many volunteer hours and efforts they have given for the betterment of the hobby! The couple issued three woods to recognize marital milestones.

The first two (50th and 55th) were made by **Norm Belsten**, and the latest (60th) was made by **James Williston** (owner of Canada Wide Woods). Todd ordered a hundred of each of the first two woods and sixty of the third wood. The most recent wood also celebrates Canada's sesquicentennial.

How many folks out there get to recognize their **60th wedding anniversary and the country's 150th birthday** at the same time? This recent wood is an amazing symbol of both family and a nation's history, a real keepsake! Even more important, the Humes have been role models to younger generations on the values to sustaining a healthy relationship and raising a family.

Introducing NEW Pocket Change Radio Wood!

Rick Dupuis of *Pocket Change Radio* and *5th Avenue Coins*, had **James Williston** of Canada Wide Woods, make 300 (black / black ink) woods for him.

Rick is pictured left holding two to show both sides.
